Dining Table

Classic. Elegant.
Timeless.

HIDDE Dining table is a true example of contemporary design and classic elegance.

With its metal base in combined with extra long wooden tabletop, it brings timeless beauty to the table. And to your space, too.

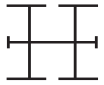

The base is characterized with its curved, almost sculptural lines, with bespoke feet that lifts the whole element from

the ground, enabling the light to create a never-ending game of shadows, reflections, and angles.

All table top come with a unique edge, so called “bullet edge”, carefully crafted and hand polished to achieve seamless and almost invisible line. Tabletop for this table is available only in one extra big size.
